SUBJECT: General RADESCU *General Nicolae*  
Specific - Supplement to KPL-458, of 30 July 1947

INTEL

1. It has just been learned from the Embassy here that, in addition to the names mentioned in KPL-458, RADESCU's request to take his group to the United States includes applications for the following, not in Portugal:

a) Grigore Niculescu BUZESTI, in the Ministry of Foreign Affairs from 23 August 1944 to October 1944; a member of the executive committee of the National Peasant Party.

b) Constantia VISOIANU, former Minister of Foreign Affairs from October 1944 to March 1945.

c) Mihai FARCASANU, editor of VICTORUL, the organ of the National Liberal Party.

d) Augustin POPA, member of parliament for the National Peasant Party, publisher of the newspaper Curierul.

2. BUZESTI and VISOIANU are at present in Switzerland; FARCASANU and POPA in Italy.

3. On 13 August, this office was requested by the Counsellor of Embassy to ask COSTE, RADESCU's diplomatic representative, to call on him to discuss the visa application. COSTE called the next morning and was told that the prospects were favorable, provided RADESCU (and presumably his followers) could qualify for a non-immigrant visa.

4. It is the opinion of the Counsellor that the Rumanians can qualify for this type of visa, and that permission for their entry will be granted. According to BD333 they will leave in November if they succeed in getting the visa.
